

ART		AO1	AO2	AO3	AO4
GRADE		DEVELOP Develop ideas linked to artists, craft workers and designers.	REFINE Refine, Select, Explore, Experiment.	RECORD Record relevant ideas, observations and insights.	PRESENT Present a personal response and realise your intentions.
9	9m	<i>An exceptional ability to:</i> Develop ideas creatively and purposefully.	<i>An exceptional ability to:</i> Thoughtfully refine ideas with discrimination.	<i>An exceptional ability to:</i> Skilfully and rigorously record relevant ideas and observations (through drawing, photography and written comments etc.) as work progresses.	<i>An exceptional ability to:</i> Competently present personal / meaningful responses and realise intentions with confidence and conviction.
	9s	Understand, question and use different sources.	Select and purposely experiment with appropriate media, materials, processes and techniques.		Demonstrate understanding of visual language.
	9e				
8	8m	<i>A highly developed ability to:</i> Develop ideas creatively and purposefully.	<i>A highly developed ability to:</i> Thoughtfully refine ideas.	<i>A highly developed ability to:</i> Skilfully record relevant ideas and observations (through drawing, photography and written comments etc.) as work progresses.	<i>A highly developed ability to:</i> Competently present personal / meaningful responses and realise intentions with confidence and conviction.
	8s	Understand, question and use different sources.	Select and purposely experiment with appropriate media, materials, processes and techniques.		Show understanding of visual language.
	8e				
7	7m	<i>An increasingly developed ability to:</i> Develop ideas creatively and purposefully.	<i>An increasingly developed ability to:</i> Thoughtfully refine ideas.	<i>An increasingly developed ability to:</i> Skilfully record relevant ideas and observations (through drawing, photography and written comments etc.) as work progresses.	<i>An increasingly developed ability to:</i> Competently present personal / meaningful responses and realise intentions.
	7s	Understand, question and use different sources.	Select and purposely experiment with appropriate media, materials, processes and techniques.		Show understanding of visual language.
	7e				
6	6m	<i>A consistent ability to:</i> Develop ideas purposefully.	<i>A consistent ability to:</i> Thoughtfully refine ideas.	<i>A consistent ability to:</i> Skilfully record relevant ideas and observations (through drawing, photography and written comments etc.) as work progresses.	<i>A consistent ability to:</i> Competently present personal / meaningful responses and realise intentions.
	6s	Understand and use different sources.	Select and purposely experiment with appropriate media, materials, processes and techniques.		Show understanding of visual language.
	6e				
5	5m	<i>A generally consistent ability to:</i> Develop ideas purposefully.	<i>A generally consistent ability to:</i> Thoughtfully refine ideas.	<i>A generally consistent ability to:</i> Competently record relevant ideas and observations (through drawing, photography and written comments etc.) as work progresses.	<i>A generally consistent ability to:</i> Competently present personal / meaningful responses and realise intentions.
	5s	Understand and use different sources.	Select and purposely experiment with appropriate media, materials, processes and techniques.		Show understanding of visual language.
	5e				
4	4m	<i>A moderate ability to:</i> Develop ideas purposefully.	<i>A moderate ability to:</i> Carefully refine ideas.	<i>A moderate ability to:</i> Carefully record relevant ideas and observations (through drawing, photography and written comments etc.) as work progresses.	<i>A moderate ability to:</i> Present a personal / meaningful response and realise intentions.
	4s	Understand and use different sources.	Select and purposely experiment with appropriate media, materials and techniques.		Show understanding of visual language.
	4e				
3	3m	<i>Developing ability to:</i> Develop ideas purposefully.	<i>Developing ability to:</i> Refine ideas.	<i>Developing ability to:</i> Record relevant ideas and observations (through drawing, photography and written comments etc.) as work progresses.	<i>Developing ability to:</i> Present a personal / meaningful response and realise intentions.
	3s	Show growing understanding of different sources.	Select and experiment with different media, materials and techniques.		Show understanding of visual language.
	3e				
2	2m	<i>Some ability to:</i> Develop different ideas.	<i>Some ability to:</i> Refine ideas.	<i>Some ability to:</i> Record ideas and observations (through drawing, photography and written comments etc.) as work progresses.	<i>Some ability to:</i> Present a personal response and realise intentions.
	2s	Show some understanding of different sources.	Select and use different media, materials and techniques.		Show understanding of visual language.
	2e				
1	1m	<i>Starting ability to:</i> Develop ideas.	<i>Starting ability to:</i> Refine ideas.	<i>Starting ability to:</i> Record ideas and observations (through drawing, photography and written comments).	<i>Starting ability to:</i> Present a personal response and realise intentions.
	1s	Understanding some sources.	Select and use media and materials.		Understand visual language.
