Re: Work Experience 2020 Year 10 and 12

Dear Parent/Carers,

The work experience team at Derbyshire County Council have informed us today that due to Health and Safety reasons, **all work experience placements have been suspended until further notice due to Covid-19.**

This will mean that no work experience placements will go ahead for either Year 10 or 12.

We realise this will be disappointing to students, when they have worked hard to secure excellent placements.

We will communicate with employers that work experience has been cancelled, so the students will not need to do this.

Best regards

Joanne Earp
