

Dear Parents/Carers of Year 9 Students

We will attend school during the summer term to vaccinate Year 9 students with the HPV Human Papilloma Vaccine.

We have already got consent forms for the majority of Year 9 students and most have already been given their 1<sup>st</sup> HPV vaccination, however there are still some Year 9 students that would like their 1<sup>st</sup> HPV vaccination but were unable to receive this last year due to the COVID pandemic.

If you have already completed the HPV consent form we will vaccinate with either the 1<sup>st</sup> or 2<sup>nd</sup> dose of HPV on **Thursday 24<sup>th</sup> June 2021** at school. However if you would like your child to receive their HPV vaccinations and you **haven't** already completed the consent form please visit <https://www.derbyshireandcityimms.co.uk/Forms/HPV> to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.

Your unique school code for **The Ecclesbourne School** is **DD136505**

For more information about the vaccination and the date we are due into your school please visit our website: <http://www.derbyshireschoolnurses.org.uk/parents/immunisations>

If you experience any problems please call the School Age Immunisation Team.
