June 2021

Dear parent / carer,

I am writing to confirm some significant additions to the Year 12 calendar for the final half of the summer term. The below events are designed to develop our learners' character, confidence and independence, preparing them for the challenges of the future.

Year 12 Relationships & Sex Education (RSE) Morning

On the morning of Tuesday 22nd June, Derbyshire NHS Community Health Service will be speaking to our Year 12 students on positive sexual health, healthy relationships, consent and pressures associated with relationships. Students should be prepared for afternoon lessons and negotiated home study will recommence in the afternoon.

We feel that it is important that every student attends, however, if you would prefer that your child does not participate, please contact either me or Mrs Bamber, Head of Year 12, via the school contact details.

Post 18 Day – Exploring Future Pathways

Tuesday morning PDC sessions will refocus on career guidance, culminating with our post 18 day on Thursday 1st July. We will welcome universities, local employers and Ecclesbourne alumni into school to talk to our students about next steps.

To accompany the student programme, I have prepared a short video for parents to access [here](#). The password for access is **Eccles1957!**, I hope that you find the video informative.

We have also set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to support your child. The form code you need is: parentsecclesbourne and you can sign up here: www.unifrog.org/code

Young Driver Awareness Day

On Friday 25th June, some external speakers from a variety of agencies will discuss safe driving to ensure that your young drivers are fully prepared for safe travel in the years ahead.

To allow all our students to participate in these important events, lessons will be postponed and agreed home study leave will be cancelled.

Year 12 Full Report

Year 12 reports will be issued on our final day on Tuesday 21st July. This will be the major report for Year 12 and will provide you with detailed information on your child's progress. If we have concerns about your child's report, we will aim to contact you before the summer break. If you are not

contacted but you would like to discuss your child's report before your child returns in September, please do not hesitate to contact either me or Mrs Bamber.

It is important that Year 12 continue to maintain the highest standards in punctuality, uniform and lesson attendance in these important weeks. As always, I appreciate your support to ensure our students maximise their learning in this final half-term.

Should you wish to discuss any element of the above please do not hesitate to contact me. I wish everyone associated with the school a happy and healthy summer period.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'S. Carnwell', written in a cursive style.
