Dear Parents/Carers

We will begin studying 'The Duchess of Malfi' by John Webster in September for the A2 exam. Students need to be able to annotate their texts so it is important that they have their own copy. Where possible, we produce our own copies of texts, or use school copies, but that is not possible for this text. Therefore, we would request they purchase their own copy. It is available from Waterstones for £11.99. Alternatively, students may buy a copy elsewhere but they should buy **this particular edition because it has many extras that are needed for this exam.**

The edition they need is:

The Duchess of Malfi by John Webster
Published by Longman
ISBN number 0-582-81779-X

It can be purchased more cheaply second hand from Amazon or ex-students. However, students will need a copy **as soon as** they return in September.

Thank you for your help in this matter. If you have any further questions, please do not hesitate to get in touch with me.

Yours sincerely

G Beddow
