Dear Parents/Carers

## **Re: Year 10 and Year 12 Work Experience Weeks Summer 2021**

We are writing to inform you that we have made the decision that Year 10 and Year 12 students will not undertake work experience during the summer term.

This decision has been made due to the implications the country is facing during the Covid 19 pandemic. As we normally encourage students to be proactive in securing placements as early as possible in the academic year, we feel students would face significant difficulty securing placements with organisations locally, during such circumstances.

Through Personal Development & Citizenship virtual assemblies, information and talks we will be promoting employer engagement and encouraging students to think further about their future pathways. Students can find further information on the Careers noticeboards in school or see either myself or Mrs Parker in the Careers office for any specific queries they may have.

Thank you for your understanding.

Yours sincerely
