Dear Parents/Carers

Re: Apprenticeships Information for Parents

As part of the Personal Development and Citizenship programme, students in Year 10 will be watching an information video all about Apprenticeships in form-time next week (National Apprenticeship Week), we wanted to also make you aware of a session which is available for Parents to sign up to attend in the evening on Monday 8th February, which you may find useful.

The event is being run by The National Apprenticeship Service by ASK (Apprenticeship Support & Knowledge), for more information and to register to attend this and/or other workshops, please use this link [ASKlink](#)

If students are interested in aiming to secure an apprenticeship after Year 11, they will be fully supported in school with more events and information available to them in Year 11.

If you choose to attend, I hope you find the event useful.

Yours sincerely

Joanne Earp
