Dear Parent/Carer

RE: CHANGES TO THE P.E. OUTDOOR TOP

I am writing to inform you about changes to our PE uniform that were originally planned to come into force in September 2021. However, due to the current situation, I feel it was important to offer this option earlier to students in preparation for the winter months, if required.

We have decided to move towards a more unisex and modern PE uniform over the upcoming year and the main change is that we will be removing the boy's rugby top and girl's hoodie and replacing them with a more modern ¼-zip top with elasticated hem and cuffs. It also has a brushed fleece lining for warmth. The top will also have the school badge embroidered. This will be for both boys and girls PE.

These will be available to purchase from our current uniform suppliers.

I am aware that many will already have the current boys and girls PE outdoor tops that were purchased quite recently and we will still be allowing students to wear these for the rest of this academic year to avoid extra costs at this time. However, suppliers will no longer be selling these items, only the new ¼-zip top moving forwards.

If you have any queries, then please feel free to contact me on the School telephone number: 01332 840645.

I look forward to your support with this matter.

Yours in Sport,

Head of Sport and Wellbeing
The Ecclesbourne School
