Dear Parents/Carers,

Year 11 Decisionz Magazine

We will soon be issuing the above magazine electronically to students, this is provided by Decisionz in partnership with the D2N2 (Derby and Nottingham) Enterprise Advisor Network and Careers Hubs.

Decisionz e-magazine is the local careers and advice magazine for Year 11 students across Derby City and Derbyshire County and is distributed three times a year in September, January and May.

The digital magazine aims to support students to make the right decisions in their next steps pathways. It is jam-packed with top tips, useful articles, careers information and local opportunities.

Students will be able to find out about the range of Post-16 options, local open days and events, further and higher education, the world of work and much more.

If you would also like to view the magazine, to be able to begin discussions with your child, you can do so by going to this website/clicking the link below:

We hope you find this informative.

Yours faithfully
