Dear Parents/Carers

## SCI20 Year 10 and 11 Science Resources 2020-21

In order to support Yr 10 and 11 students with their Science GCSE courses we are offering the opportunity to purchase additional resources that are available from CGP at a reduced 'Schools' rate. These resources help students consolidate their understanding and provide useful additional revision materials to those provide through school.

If you would like to purchase any of these resources, they will be available on the Parentpay website at this discounted rate.

An order will be placed with CGP on **Wednesday 24<sup>th</sup> November**, should you wish to take opportunity of this discounted price (after this date materials are still available from CGP – via their website but at the RRP). The resources will be made available for student collection when they have been delivered.

The tables below show the different options dependent on whether your child is following the Separate Science courses **or** the Combined Science Trilogy course.
