Dear Parents/ Carers

TRIP LETTER No 2 Denmark/ UK Exchange 2022.

Thank you for sending the reply slip back, we have received an astonishing large number of forms, 53 in total.

We have been in contact with our Danish coordinating teacher to see if their school can take at least 40 students normally we take 25 students, we hope to have an answer back in late January.

Currently their school has closed early for the Christmas break due to the large number of students and staff who have been affected by the Covid virus.

In view of this delay please do not send any payments until you receive confirmation in the form of a signed letter of a place on this trip.

We are also seeking updates on any travel restrictions into Denmark from the Danish Government and advice from our travel insurance company and SAS airline.

We will endeavour to keep you fully informed on progress in the New Year.

If you require any clarifications, please phone 01332 843267. (Mr Minton's office number)

Yours sincerely
