18th January 2023

Dear Parents and Carers,

Diversity in Engineering Event, 1st February 2023

Derby City Council are holding a 'Diversity in Engineering' event at the Roundhouse, Derby College. This is open to students of any age and skill level who might be interested in finding out more about engineering and the opportunities in this job area. There are over 30 local employers attending. The event will include:

- Employer stands
- Inspirational speakers
- Practical workshops
- Live vacancies
- Apprenticeship information

It is open from 12-6pm. Due to the school calendar, unfortunately, we are unable to take a group of students with us this time, but it is available for parents and carers to attend with their children. You will need to book a place using this link: <https://bit.ly/3QVsdHo>

If you do attend this event, it will be great to get your feedback on it. Please email hgreen@ecclesbourne.derbyshire.sch.uk

Any questions do get in touch with either myself or Mrs Danielle Parker in the Careers Office.

Yours sincerely,

Helen Green
Assistant Head – Equality, Diversity and Inclusion; Acting Head of Careers
