Dear Parents/Carers,

Enrichment Curriculum

Now that the spring term is well underway, I am writing to provide you with updated information on our extra-curricular provision. We remain committed to ensuring that every student has the opportunity to take part in and benefits from our extra-curricular and enrichment provision and as ever, welcome your feedback.

At the end of this letter, you will see an updated schedule of planned activities for all year groups in school which, it is hoped will allow your children choose activities that they are interested in, and also provide parents and carers with details in advance. Whether your child is looking to develop their skills and experience in something they are familiar with, or get involved in something new, there has never been a better time to take advantage of one or more of the opportunities listed below. All activities are open to all students, regardless of skill level or ability.

In the meantime, please do not hesitate to contact me in school if I can be of further assistance.

Yours sincerely,

Mr D Sutton
Head of the Languages Faculty
Co-ordinator of Extra Curricular Activities & Enrichment
