Dear Parents/Guardians,

Your young person has been given the opportunity to join The National Citizen Service (NCS) upon the 'AWAY FROM HOME RESIDENTIAL EXPERIENCE', in which will provide them with the opportunity to embark on some new adventures with their friends, make new friends, develop and strength their skills.

We have thousands of young people signed up for NCS already this summer, with over 750,000 young people having taken part in the programme since 2010. Your young person may have already signed up, may have showed interest or this may be the first time you have heard of NCS.

We would like to take this opportunity to invite you along to our Virtual Information Evening via MS Teams. The purpose of this session is to provide you with an insight of what our programmes look like and what we are all about here at NCS!

We will be hosting your areas Information Evening on **Tuesday 25th April 2023** starting from 6pm till 6:45pm. Please follow the link below to join the session!
