11th May 2023

Dear Parents/Carers,

Governors' Reception

The Governors' Reception will once again take place this year on Wednesday 28th June. I would be delighted to receive nominations for this prestigious award as this is an opportunity for students who have excelled in many areas to receive recognition from our Governing body. This will be a celebration evening where both students and parents are invited along to receive their award.

Nominations can be received from Parents, Carers, Staff and Peers. I would therefore be interested to hear of any student who is currently at school who has received National or International Status in any activity during the last eighteen months. The event can cover Music, Drama, Sport, Arts, Technology etc. However, I would also like to hear about students who have distinguished themselves in other non-academic ways: Service to the community; Long term commitment to worthwhile projects; Success in overcoming adversity etc.

Nomination for an award is a real honour and students enjoy the recognition from the school body for all that they have achieved. Nominations should be with myself by Thursday 25th May via e-mail, courabi@ecclesbourne.derbyshire.sch.uk All nominations must be accompanied by a reason as to why they have been nominated and a little bit of background information. This is so we can read a citation on the night.

If you have any queries, please do not hesitate to contact me on the above email or on (01332) 843274.

Kind regards,

Clarissa Ourabi
Deputy Head (SLT)
