10<sup>th</sup> July 2023

Dear Parents/Carers,

## **Year 8 - RSE Health Morning (Relationships and Sex Education)**

In 2020 the Government made Relationship and Sex Education (RSE) a statutory requirement of secondary education. In line with this, as part of our Personal Development provision we are organising a RSE morning for our Year 8 students. This event will be delivered by representative from Derbyshire Community Health Foundation Trust and will take place on Tuesday 18<sup>th</sup> July 2023 during periods two and three.

Presenters will deliver to students in girl and boy groupings. Students will receive age-appropriate information on the following topics:

- Contraception
- Sexually transmitted infections

There will be opportunity for students to discuss issues that arise or to ask questions, either in person or anonymously.

If you have any questions about the morning or would like to discuss the content further, please do get in touch.

Kind Regards,

Annie Bell

Head of PDC

Teacher of English / Literacy Co – Ordinator
