August 2023

Dear Parents and Carers

Food Preparation and Nutrition guides

Your child has stated their intention to study GCSE Food Preparation & Nutrition in September and we are very much looking forward to welcoming your child to the department soon.

I would like to confirm that we will be studying OCR GCSE Food Preparation & Nutrition. In order to support your child's learning I would like to request that they purchase the following book that is suitable for the course. They will also need an A4 ringbound folder which they should bring with them to their first lesson.

'My Revision Notes: OCR GCSE Food Preparation and Nutrition' by Val Fehners

The book will be used in all theory lessons. Not only does it include all the subject content, but also exam style questions and tips. The book usually costs around £9.99 and is available on Amazon. It would be very helpful to your child if the book could be purchased as soon as possible for their return.

If you have any further questions or wish to ask for pupil premium funding then please do not hesitate to email estott@ecclesbourne.derbyshire.sch.uk

Yours sincerely

E Stott
