Dear Parent/Carer,

I am writing to inform you of the current arrangements for curriculum provision for students studying Languages in Year 9.

All students are requested to indicate a language preference from the choices below. This will then become their language of choice if they decide to continue with a language GCSE in Years 10 and 11.

These plans are in line with the government expectation that, at GCSE, most students will follow a GCSE curriculum which includes the study of a foreign language.

Some students consider eventually studying two language GCSEs, and so there will be additional provision for potential dual linguists during Year 9. Students wishing to continue with two languages should tick both language boxes.

We kindly request that you complete, sign and return the below slip to your child/s **FRENCH Teacher** by Thursday 6th June 2024. Please be advised that we are unable to guarantee choices for late submissions. If you have any additional queries or questions, please do not hesitate to contact me at school.

Yours sincerely,

Mr D Sutton
Head of the Languages Faculty
