November 2024

Dear Parents and Carers,

Year 10 - Relationships and Sex Education Delivery, Consent Workshops

As part of the Personal Development and Citizenship programme students study Relationships and Sex Education. This includes lessons with form tutors as well as additional events which the school arrange. I write to inform you of a forthcoming workshop called 'Where is Your Line?' This event will be provided by Derbyshire Charity SV2. It will take place in school on the 13 November 2024. All Year 10 students will attend the event.

The workshop will educate students about sexual consent. During the session, students will watch a short film. This material is age appropriate and is designed to promote discussion and engage students in thinking about and debating the nature of consent. There will be an opportunity for students to discuss key issues and ask any questions that they may have.

From September 2020 a significant proportion of the PSHE curriculum became statutory for all schools. In a secondary school context, this change covers Relationship and Sex Education (RSE) and Health Education. The forthcoming SV2 workshop is part of our statutory RSE provision for our students. There is no cost to students to attend this event.

If you have any questions or concerns about the event, please do not hesitate to contact me.

Kind regards,

Annie Bell
Head of Personal Development & Citizenship
