Dear Parents/Carers of year 11 students

February 2026

## **College Applications / National Apprenticeship Week 9-15 February 2026**

We have been reminded that if a student has applied/is intending to apply to Derby College they MUST accept their interview, especially if this is a phone interview – or they will not receive the call. Please also ensure students follow all other instructions from college on their “Intouch” account.

If students are considering their options following mock exam results, please encourage them to put an application for further education in sooner rather than later, to hopefully secure their preferred choice pathway.

Next week students will be watching information presentations and films in form-time to mark National Apprenticeship Week, we would like to draw your attention to the website link below for further information:

[National Apprenticeship Week 2026, 9 - 15 February 2026](#)

and to our Careers Page web links on the school website:

[Parent Information and Resources | Ecclesbourne School](#)

If you or your child would like any further information, please do get in touch by using the email addresses below or via the usual school telephone number.

Yours faithfully

Joanne Earp  
Head of Careers
