3 July 2026

Dear Parents and Carers,

I am writing to kindly ask for your support in ensuring that all outstanding school library books are returned by 10th July 2026.

As we approach the end of term, it is vital for us to gather in any books that students may still have at home.

We completely understand that some books may be overdue — please do not worry about this. We simply wish to welcome them back so they can be enjoyed by other students. Your child can return their book by placing it in the yellow box on the library desk at any time during the school day.

Returning books promptly is incredibly important. Our library stock is expensive to replace, and maintaining a full, vibrant collection allows every student to experience a rich and varied reading journey. Having our wonderful books back on the shelves ensures that all students can continue to benefit from the stories, knowledge, and inspiration they offer.

Thank you very much for your support in helping us keep our library thriving.

Warm regards,

Annie Bell
Teacher of English
Head of PDC / Reading Intervention Coordinator
