Dear Parents and Carers

## Food Technology - Aprons

We are very fortunate that with the change in government guidelines that we have been able to reintroduce students to the Food technology rooms. In anticipation that this will remain the same in September we are now planning for the lessons on their return to school.

Previously we have been able to provide aprons for Food technology lessons, however in line with CLEAPPS recommendations this is no longer the case. Students are unable to share personal protective equipment.

We are therefore asking that to prevent potential spoilage to school uniform during food practical lessons that you provide your child with an apron for their return to school in September. Aprons are available at our usual school uniform suppliers but we are happy for you to supply any suitable and appropriate apron.

Any questions please don't hesitate to contact me on [estott@ecclesbourne.derbyshire.sch.uk](mailto:estott@ecclesbourne.derbyshire.sch.uk)

Yours sincerely

*E Stott*

Mrs E Stott  
(Head of Food Technology)
