Dear parents and carers of Year 9,

KS3 Book Return

At the beginning of the academic year we issued each Year 9 student a copy of *Technology, War and Independence* (pictured). These textbooks were particularly valuable during the national school closures and have been a useful resource for our Year 9 students and their teaching staff.

Class teachers have been collecting these books in recent weeks however, there are a number that have not been returned. The books are a valuable resource for the History Department and we would like to issue them to future Year 9 students.

We would appreciate your help in making sure that your son/daughter returns their book if they have not already done so. If the book has yet to be returned, please ensure they bring it with them to their next history lesson.

Please do not hesitate to contact me should you wish to discuss any element of this letter.

Kind regards,

Jack Cuthbert
Head of Humanities
