School Uniform Regulations for Years 7 - 11

Uniform and Appearance

At the Ecclesbourne School we are committed to high standards of uniform and appearance. Our standards and expectations are reflected in this uniform guide and it provides our students with the unique identity that comes with being a member of our school community. We believe being smart in both uniform and appearance is very important as it encourages a sense of pride and engenders positive community recognition. All of our staff members ensure these regulations are followed, and we ask that parents/carers support and enforce our uniform and appearance code.

Further detail about uniform and appearance:
