## 4 Definitions

**Looked-after children** are registered students that are:

- In the care of a local authority, or
- Provided with accommodation by a local authority in the exercise of its social services functions, for a continuous period of more than 24 hours

**Previously looked-after children** are registered students that fall into either of these categories:

They were looked after by a local authority but ceased to be as a result of any of the following:

- A child arrangements order, which includes arrangements relating to who the child lives with and when they are to live with them
- A special guardianship order
- An adoption order

They appear to the school to have:

- Been in state care in a place outside of England and Wales because they would not have otherwise been cared for adequately, and
- Ceased to be in that state care as a result of being adopted

**Personal education plan (PEP)** is part of a looked-after child's care plan that is developed with the school. It forms a record of what needs to happen and who will make it happen to ensure the child reaches their full potential. This will include any additional resources that the child may need to meet their expected progress. This is bidded for by the school with the relevant local authority.

**Virtual school head (VSH)** is a local authority officer responsible for promoting the educational achievement of their authority's looked-after children, working across schools to monitor and support these pupils as if they were in a single school. The VSH is also responsible for providing information and advice to schools, parents and guardians in respect of previously looked-after children.

- The updated PEP is passed to the child's social worker and VSH ahead of the statutory review of their care plan

##### **The designated teacher will:**

- Proactively engage with social workers and other professionals to enable the school to respond effectively to the needs of looked-after and previously looked-after children

- Be open and accessible to parents and guardians of previously looked-after children and encourage them to be actively involved in their children's education
- Proactively build relationships with local authority professionals, such as VSHs and SEN departments
- Consider how the school works with others outside of the school to maximise the stability of education for looked-after children, such as:
- Finding ways of making sure the latest information about educational progress is available to contribute to the statutory review of care plans
- Ensuring mechanisms are in place to inform VSHs when looked-after children are absent without authorisation and work with the responsible authority to take appropriate safeguarding action
- Talking to the child's social worker and/or other relevant parties in the local authority regarding any decisions about changes in care placements which will disrupt the child's education, providing advice about the likely impact and what the local authority should do to minimise disruption
- Making sure that, if a looked-after child moves school, their new designated teacher receives any information needed to help the transition process
- Seek advice from VSHs about meeting the needs of individual previously looked-after children, but only with the agreement of their parents or guardians
- Make sure that for each looked-after child:
- There's an agreed process for how the school works in partnership with the child's carer and other professionals, such as their social worker, in order to review and develop educational progress
- School policies are communicated to their carer and social worker and, where appropriate, birth parents
- Teachers know the most appropriate person to contact where necessary, such as who has the authority to sign permission slips
- Where a looked-after child is at risk of exclusion:
- Contact the VSH as soon as possible so they can help the school decide how to support the child to improve their behaviour and avoid exclusion becoming necessary
- Working with the VSH and child's carers, consider what additional assessment and support needs to be put in place to address the causes of the child's behaviour
- Where a previously looked-after child is at risk of exclusion, talk to the child's parents or guardians before seeking advice from the VSH on avoiding exclusion
