

Summer term work for Y13 German

Hi all,

As requested, I have listed some activities for you to do this term.

1. Watch some German films/ series from Amazon or YouTube (Easy German is good for small snippets and real Germans being interviewed on the street , plus some Swiss and Austrian people)
2. Have a go at the MLAT tests from Oxford university – they make you think carefully about grammatical rules – links here <https://www.ox.ac.uk/admissions/undergraduate/applying-to-oxford/tests/mlat>
3. Buy some books to read. I recommend the following ‘ Als Hitler das rosa Kaninchen stahl ‘. It’s a child’s account of escaping Nazi Germany as a Jewish refugee. It was written by Judith Kerr who wrote the Mog cat books.
