

## **Sociology**

### Reading list:

- Chavs – Owen Jones
- Politics of Breastfeeding – Gabrielle Palmer
- Use these recommendations: <https://www.hurtwoodhouse.com/student/humanities/sociology/reading-list-3/>
- Watch anything by Grayson Perry on Channel 4
- The Spirit Level – Kate Pickett and Richard Wilkinson
- YouTube video essays by Natalie Wynn or H Bomber Guy – these tend to be sociologically focussed despite professing to be philosophical, the backgrounds of the presenters is easily as challenging as the subjects that they present!
