

## Year 13 Summer Term – Preparing for your next steps

Date	Activity
Monday 14 <sup>th</sup> June	<p>Life skills lesson one:</p> <p><b>Creating a CV</b></p> <p>Whether you are applying for a part time job to help fund your studies, or looking for an apprenticeship, it is important to understand how to create a good CV. Go to <a href="https://www.ucas.com/connect/videos/hub-live-videos">https://www.ucas.com/connect/videos/hub-live-videos</a> and watch the CV writing workshop from Reed.</p>
Tuesday 15 <sup>th</sup> June	<p>Finance lesson one:</p> <p><b>Budgeting and understanding wages</b></p> <p>Look at the example budget plan for either student living or working. Complete your own budget planner. Look at the PowerPoint about wages. Match the definitions to the key words on the second slide. Look at the last slide and use the website to calculate the tax deductions and take home pay for the four example characters.</p>
Monday 21 <sup>st</sup> June	<p>Finance lesson two:</p> <p><b>Insurance, student finance and choosing suppliers</b></p> <p>Look through the insurance PowerPoint. Look up any of the car terms that you don't know. Read about the different types of insurance and complete the activity to decide which types of insurance each of the two example characters need. Visit <a href="https://www.moneysavingexpert.com/students/">https://www.moneysavingexpert.com/students/</a> Explore the student section of the website – this has useful tips even if you aren't going to university on things like the best/cheapest broadband providers and mobile phone providers. Spend some time researching these so that when you do leave home, you are prepared with a list of those suppliers it might be worth contacting. For those going to university, there are also useful links to advice on student finance.</p>
Tuesday 22 <sup>nd</sup> June	<p>Life skills lesson two:</p> <p>Choose from one of the following:</p> <p><b>Entrepreneurship</b></p> <p>Whether you go to university or do an apprenticeship, you might one day find yourself wanting to run or start your own business. Go to <a href="https://www.ucas.com/connect/videos/hub-live-videos">https://www.ucas.com/connect/videos/hub-live-videos</a> and watch the session with Jack Parsons who became an award winning CEO in his twenties.</p> <p><b>Cooking</b></p> <p>Go to <a href="#">Healthy student meal recipes - BBC Good Food</a> and choose a recipe. Cook it for family or friends. Send pictures of your creations to Mrs Farina.</p>
