This policy is reviewed and updated annually to ensure that non-examination assessment at The Ecclesbourne School is planned for and managed in accordance with current requirements and regulations.

References in this policy to NEA and ICC refer to the JCQ documents Instructions for conducting non-examination assessments and Instructions for conducting coursework.

## **2 Introduction**

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting
- task taking
- task marking (NEA 1)The regulator’s definition of an examination is very narrow. In effect, any type of assessment that is not ‘externally set and taken by candidates at the same time under controlled conditions’ is classified as non-examination assessment (NEA).

‘NEA’ therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as ‘NEA’. (NEA, Foreword).

Coursework components assess candidates’ skills, knowledge and understanding that may not readily be assessed by timed written papers. Coursework will take many different forms. (ICC 1)

The term coursework is a generic one. It includes the work required in Project qualifications and internally assessed work in other qualifications covered by these Instructions. These instructions are for use in AQA Applied General qualifications, OCR Cambridge Nationals, CCEA GCE unitised AS and A-level qualifications, ELC and Project qualifications. They may also apply to other awarding body-specific Level 1, Level 2 or Level 3 qualifications. Centres should refer to awarding body instructions. (ICC Introduction, Foreword)

## **3 Purpose of the policy**

The purpose confirms the JCQ requirement that The Ecclesbourne School has in place for inspection that must be reviewed and updated annually, a written policy regarding the management of non-examination assessments including controlled assessments and coursework.

Awarding bodies require centres to have a non-examination policy in place to:

- define staff roles and responsibilities with respect to non-examination assessments
- manage risks associated with non-examination assessments (NEA 1)

#### **4 Procedures for planning and managing non-examination assessments identifying staff roles and responsibilities**
