THE SCHOOL AND SIXTH FORM STUDENT LEARNING AGREEMENT

We believe that at the heart of a successful Sixth Form there must be clarity, responsibility and a desire to learn. Students must be clear about what is required of them and what they have a right to receive from the school. To this end, we have devised a written agreement which makes clear the parameters within which we operate.

WHAT IS EXPECTED OF THE STUDENT

1. To fulfil the responsibilities and requirements with regard to the academic demands of the courses you undertake.

- Be fully equipped and prepared for work for every lesson;
- Entry to external examinations is dependent upon performance throughout the year;
- Meet deadlines. Keep a work organiser or diary and plan your work commitments;
- Avoid plagiarism in any course work or assessed work and meet specified internal deadlines for these;
- Arrive 10 minutes before all examinations and notify the school immediately if you are delayed or ill;
- Be responsible for knowing when and where your examinations will take place.

2. To fulfil the responsibilities and requirements with regard to membership of the school.

- Set an example to younger pupils and make a positive contribution to our school and local community; avoiding actions that are likely to reflect badly on you or the school;
- Report any bullying or concerning behaviour immediately;
- Use mobile phones only in designated spaces and at specified times;
- Respect the study spaces, free rooms and the students who will be working in those spaces;

3. To attend all lessons and arrive punctually to Sixth Form.

4. To adhere to our Sixth form dress code.

• Set the highest standards in terms of school uniform. If your uniform is incorrect, your parents / carers will be informed and you will be asked to rectify it within 7 days. You will be offered spare uniform during this period and if there is no suitable spare uniform available, you may be sent home.

5. To use social media appropriately.

• Operate social media with caution and do not put yourself in danger or a compromising position by posting personal material that may harm you, your peers, staff or the school.

WHAT THE STUDENT MAY EXPECT

- Progress information and periodic attainment grades, effort grades and full reports.

2. To receive support for personal development.

It is important to note that in the unlikely event that a student fails to meet the terms of this agreement, there will be a range of responses including: verbal and written warnings, community service and ultimately, a review of the right of the student to remain in the Sixth Form.
