Dear Parent

RE – Sixth Form Health & Well-being Hour

I am writing to you regarding the health & well-being hour that all sixth form students are able to access. This will involve students receiving one hour of timetabled activities in the sports centre. The Sixth form kit policy for sports teams and events is as follows; a Nike Park 20 t-shirt, (this can be purchased from our supplier using the link below), black leggings, shorts, or jogging trousers of their choice, (these will also be available on the supplier website if needed but are not compulsory).

They will also be able to purchase a Nike Park 20 crew top, (optional). Both tops will be embroidered with the school logo.

Once ordered they will be delivered to the school for students to collect during their first week back in September. You will need to order by Friday 31st July 2026 to guarantee September delivery. Orders can still be placed after this date but may not arrive for the start of term.

If you have any further questions about our exciting new sports kit, please do not hesitate to contact me.

Yours sincerely
